

Welcome back to all schools

This term will inevitably pose some challenges for schools and whilst wellbeing is a key priority, we recognise that there are many operational challenges that may present as obstacles.

We are increasing the network events, to support with shared learning and support. From now on these events will include guest speakers and I encourage you to attend and/or delegate staff to attend these events.

I have attached the key, NHS commissioned services in Derby, which are currently underused and vital to support the pupils, staff and parents within our schools. You're always welcome to contact me if you have questions about the services on offer.

Barry Carpenter is coming to Derby, with 'From Reconnection to Resilience ; the Recovery Curriculum in Action'

We are very excited to announce that **Dr Barry Carpenter**, International Educational Consultant and author of our most widely shared and read article, 'A Recovery Curriculum: Loss and Life for our children and schools post pandemic', is joining Derby schools on 30 September at 9:30 – 11 am to present his latest thinking, titled 'From Reconnection to Resilience ; the Recovery Curriculum in Action'.

Dr Barry Carpenter has been one of, if not the leading voice for wellbeing in education, particularly during the Covid-19 crisis due to his development of the Recovery Curriculum. At this event, Dr Barry Carpenter will speak exclusively to our network of schools in Derby. Please register for this meeting here:

Reminder: Opportunity for inclusion in academic working paper series

Don't forget to submit your case studies for inclusion in our academic paper and evaluation of the project by **Monday 5 October**. This is your opportunity to showcase your work on an international platform, so please do take a moment to reflect and let me know if you need any support with developing a piece of writing.

Wellbeing Return to Education

A national rollout is being delivered locally via the Emotionally Healthy Schools Project to our DSLMHS. Please keep an eye out for more information in the coming weeks.

If you have anything that might be helpful to share with other schools here, on the website, or via our new blog, please contact me:
Ingrid Sanfey on 07956 308857 or email ingrid.sanfey@redwood.derby.sch.uk
