Minds
Ahead

The Emotionally Healthy Schools Project is now underway!

Welcome to the first newsletter for the Emotionally Healthy Schools project, which is a whole school initiative from PSG and SSG.

I will be in regular contact between now and the end of the project in July 2020 with news and supplementary information in order to support your journey through this programme.

I have attached some flyers from Evolve that may be of interest to your school

Please provide feedback on the Emotionally Healthy Schools Project Portal content

As part of the Emotionally Healthy Schools project, we are developing a web portal to support you and your learning. Because the webpages are for you, **we need your help!** Please take part in a [survey](#) to let us know what you want it to look like! **It will take 2 minutes to complete.**

You will also be asked to confirm your attendance at the next portal consultation. Please choose from 5th or 7th February 2019.

[Please click here](#) to take part in the survey and to register your attendance at the next portal development meeting

Carnegie Centre of Excellence for Mental Health in Schools, based at Leeds Beckett, have won the tender to deliver Senior Leadership mental health training to every school in Derby City

You will shortly be receiving a letter from Leeds Beckett University about training. **Please respond to this as soon as possible.**

The training is free for every school in Derby, with a financial contribution for backfill costs. Each school will have the opportunity to work towards a quality mark for mental health, of bronze, silver or gold.

The first cohort will start in February and complete in the summer 2019 and the second cohort will start in September to complete in Spring 2020. Please ensure you are signed up as soon as possible to secure your dates.

For more information on the Carnegie Centre's quality mark, [please click here](#)

Spring Term, January 2019

Statistics

250,000 children have an identified mental health need in England

20% of children with mental health needs have at least one school exclusion

24% of children with mental health needs leave primary with required reading, writing and maths

33% of children with mental health needs come from poor families

Children's Mental Health Week is 4-10 February. Please start thinking now about what your school is going to do and let us know so that we can promote it!

For more information please contact Ingrid Sanfey, Project Manager on 07956 308857 or email ingrid.sanfey@redwood.derby.sch.uk

To book your training date, please contact Leeds Beckett directly at: derbyschools@leedsbeckett.ac.uk
